The meeting on Thursday, Oct. 25 for the daycare parents and staff will be held in the conference room at the Leonard Intermediate campus (500 E. Hackberry St., Leonard, TX 75452). The parent meeting will begin at 4:00p.m. and then the daycare staff meeting will follow after the parents pick up their children at the conclusion of the initial meeting. Have a good afternoon.

Mr. Maxwell,

October 25 with the daycare parents and staff would be good and the following week will be fine for the information session. Please keep us informed and I thank you for setting this up.

Thanks

Ok - thank you. We are looking at Thursday, Oct. 25 at 4:00 for the meeting with daycare parents followed by the meeting for daycare staff after that. Do you want to include the information session for the public on the same night or try for a date the following week? It may be hard getting that information out to the public by next Thursday since our weekly newspaper only comes out on that day but we can try.

Thanks,

Brad

Mr. Maxwell,

I am still in Henryetta, Ok working on the site that I previously mentioned to you. Please go ahead and schedule the exact dates (October 24 or 25) and times that you would like to have the meeting(s) and I will be there. I do not believe that the Texas Department of State Health Services (DSHS) will be able to participate but will be available to answer question through the telephone number that I provided to you (see draft letter). I am working to get the Agency for Toxic Substances and Disease Registry (ATSDR) to participate to have a health person to answer questions during the meeting.

Please go ahead and schedule the meeting and let me know the time(s) and date(s) and we will there.

Thank you,
